Dear Sir:

It is respectfully requested that the above-referenced patent be amended as follows:

**IN THE SPECIFICATION:**

Please add the following PRIORITY CLAIM paragraph as the first sentence after the title:

This application is a non-provisional of, claims priority to and the benefit of U.S. Provisional Application No. 60/525,324, filed November 26, 2003.

## REMARKS

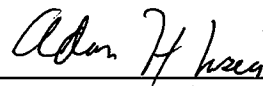

Upon the careful review of recently issued U.S. Patent 7,059,965, the above-listed error was noted. Patentee prepared this request for correction to the specification in order to correct this error. This mistake is of minor character and occurred in good faith. Correction of this error would not materially affect the scope or meaning of the patent because the correction reflects in the specification what the U.S. Patent and Trademark Office records already reflect. Patentee properly claimed the benefit under 35 U.S.C. § 119(e) of U.S. Provisional Patent Application No. 60/525,324, filed November 26, 2003 in the declaration filed with the application. The U.S. Patent and Trademark Office acknowledged the priority claim on the filing receipt. The provisional application to which the issued patent claims priority is listed under the Related U.S. Application Data heading on the first page of the patent. Also, PAIR recognizes the priority claim. Thus, the mistake is of minor character and correction of this mistake does not materially change the scope or meaning of the patent, and does not involve changes which constitute new matter or require reexamination. Further, the requested change to the specification does not change the scope of Patentees' rights granted under this patent.

Since the above-disclosed mistake is of minor character, Patentee is hereby requesting the issuance of a Certificate of Correction pursuant to 37 CFR §1.323. A proposed Certificate of Correction is also submitted herewith.

Please charge Deposit Account No. 02-1818 for any fees due in connection with this request. Patentee respectfully solicits the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,

By:
